**CIRCULAR**

**INTERNSHIP POLICY FOR STUDENTS**

Ours is an affiliated College having at present affiliation of Maharashtra State Board of Technical Education (MSBTE), Mumbai. Hence, we are following the guidelines prescribed by the Board in the syllabi of respective courses as the policy for internship. This is compiled in the form of policy as given below.

Sr. No.	Name of Department	Duration of Internship/ In-plant Training	Method of Assessment
1.	Civil Engineering	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.
2.	Computer Science & Engineering	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.
3.	Electronics & Telecommunication Engineering	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.
4.	Electrical Engineering	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.
5.	Information Technology	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.
6.	Mechanical Engineering	6 Weeks Industrial Training at the end of Semester IV	Internal assessment of 75 marks and External assessment of 75 marks during the semester V.

**General guidelines for implementation of Internship Policy:**

- 1) Students should prefer for the industries having MoU with our Institute to complete their internship.
- 2) Teachers should help the students to understand the industry profile and provide necessary technical knowledge, wherever necessary.

*Nisal*

- 3) Students should understand the necessary safety precautions and follow them while undergoing their training/internship in the industry.
- 4) Learning objectives during the training/internship tenure should be discussed by the department faculty members before the start of training/internship, so as to assess their learning.
- 5) Concerned project guides should ensure effective work by the students during the training/internship tenure.

Training and Placement officer, all HODs, and all the concerned should take note and act accordingly.
